Vision Beyond Sight

# GOVERNMENT PRODUCT CATALOG

# Lighthouse Louisiana

## WHO WE ARE

Lighthouse Louisiana is a 501c3 nonprofit operating under the federal AbilityOne program dedicated to serving the blind and visually impaired community by providing quality products, services and opportunities for independence.

### Lighthouse manufacturing program is designed to accomplish four goals:

1. To create quality jobs for people with disabilities
2. To provide training ground for learning competitive job skills
3. To educate the sighted community about the exceptional performance by people who are blind/visually impaired
4. To provide a source of revenue in support of other Lighthouse operations

## OTHER SERVICES WE PROVIDE

- Custom printing, packaging and labeling available
- Warehousing
- Teleservices
- Braille Transcription

*If you don't see what you are looking for, give us a call. Lighthouse Louisiana works in cooperation and partnership with private, public and not for profit entities.*

# PLA PAPER CUPS

## Why choose Lighthouse Biodegradable Cups?

- Earth-friendly disposable paper cup is tapered to stack easily.
- It is odorless and has a rolled edge.
- Meets FDA requirements.
- PLA cups are lined from plant material polylactic acid.
- Conforms to ASTM D6868.
- It is commercial compostable, which means it can return nutrients to the soil and reduce waste in landfills.
